

POWER + LIGHT™

END OF LIFE (EOL) NOTIFICATION

PRODUCTS AND PART NUMBERS AFFECTED CNB, EBR, ERM, ERP, ESM, ESS, ESSV, EVM, JVLM, PDB, PSB, SLM, TLM, VLM, & VRP Series

E.O.L. # EOL2024002 **DATE OF NOTIFICATION** April 1, 2024

LAST ORDER DATE JUNE 30, 2024

LAST SHIPMENT DATE AUGUST 31, 2024

Dear Valued Customer,

ERP continues to make significant investments to optimize factory production capacity due to increasing demand for its LED drivers and AC-input Light Engines. Annually, part numbers with consistent low volume are scrutinized through a formal End-of-Life [EOL] process. ERP is committed to manufacturing products with appreciable volume and reliable supply chains.

The list of products affected is located in **Appendices 1-2**. Please review **Appendices 1-2** and the list of products thoroughly to prevent disruptions in your lighting fixture supply chain.

For those products listed in **Appendices 1-2**, ERP requires the placement and receipt of **lifetime-buy purchase orders by June 30, 2024** through your normal purchasing channels.

Purchase orders must be received by June 30, 2024 to qualify for delivery before August 31, 2024 subject to BOM component availability. August 31, 2024 is the last possible date of shipment of each and every product on the EOL list in Appendices 1-2. Lifetime buy purchase orders carry non-cancellable, non-returnable (NCNR) terms. The discontinued products will continue to comply with ERP's 5-year warranty terms and conditions specific to these products.

For questions or concerns regarding this EOL notification, please contact your dedicated ERP sales or customer service representative.

Sincerely,

Marc McAndrew
Product Line Manager
ERP Power, LLC
